KONTINUIRANA MEDICINSKA EDUKACIJA “NCD Akademija - Mentalno zdravlje”

MOLIMO VAS DA OVO UPUTSTVO DETALJNO PROUČITE!

Da biste pristupili akreditovanom kursu “NCD Akademija - Mentalno zdravlje”, potrebno je da imate nalog na aplikaciji **NCD Akademija**.

Aplikaciji možete pristupiti putem Vašeg računara, mobilnog telefona ili tableta.

Ukoliko koristite mobilni telefon ili tablet, aplikaciju možete besplatno download-ovati putem sledećih QR kodova:

ncdacademy.acc.org

Ukoliko koristite računar za pristup kursu, aplikaciji možete pristupiti putem sajta Amerčkog koledža za kardiologiju - [**NCD Academy - American College of Cardiology \(acc.org\)**](http://NCD Academy - American College of Cardiology (acc.org))

Kada izaberete opciju “**Sign up for Free**”, bićete preusmereni na stranicu “**Create Account**” na kojoj je potrebno da unesete tražene podatke kako biste napravili korisnički nalog. Ukoliko već imate napravljen nalog, izaberite opciju “**Login**”, nakon čega ćete biti preusmereni na stranicu na kojoj je potrebno da unesete Vaš e-mail i korisničko ime.

U Katalogu kurseva, izaberite kurs “**Mental Health Care: Increasing Awareness, Erasing Stigmas**” i izaberite opciju **srpski**.

VAŽNO!!!

Potrebno je da **završite sve sekcije do kraja**, nakon čega ćete pristupiti **evaluaciji kursa i završnom testu od 30 pitanja**. Polaznici moraju da odgovore tačno na najmanje 70% pitanja da bi položili kurs i imaće tri pokušaja da postignu ili premaše ovaj rezultat.

Nije neophodno da uradite sve sekcije odjednom. Aplikacija čuva ono što je urađeno, tako da u svakom trenutku možete nastaviti tamo gde ste stali, sve dok ne završite kurs do kraja.

Po završetku svih sekcija i položenog završnog testa, dobićete opciju da preuzmete svoj sertifikat.

Nakon što preuzmete Vaš sertifikat u PDF formatu, molimo Vas da sertifikat **OBAVEZNO** pošaljete na e-mail adresu: **medscapeedukacije@gmail.com**, kako bi sertifikat bio prosleđen odgovarajućoj komori i kako biste dobili Vaše KME bodove.

Learning Resources

To make learning accessible and convenient, we offer two distinct types of educational content: Quick Access Content and Courses.

Quick Access Content

Quick Access Content is a series of short, introductory videos covering a variety of critical health topics such as: flu, metabolic diseases, digital health solutions, and more.

Quick Content

Courses

NCD Academy courses address the five leading NCDs, including cardiovascular disease, cancer, chronic respiratory diseases, diabetes, and mental health, as well as other factors like health equity and advocacy.

The screenshot shows the NCD Academy website interface. At the top, there's a navigation bar with links to Guidelines, JACC, ACC.25, Members, About, and Join. Below this is a search bar and a 'Create Free Account or Log in to MyACC' button. The main header includes 'Clinical Topics', 'Latest In Cardiology', 'Education and Meetings', 'Tools and Practice Support', and a 'Join Today' button. The left sidebar lists 'Available Courses' under the 'NCD Academy' section. The main content area displays a list of courses with their titles, descriptions, and durations. An orange arrow points to the course 'Mental Health Care: Increasing Awareness, Erasing Stigmas'.

Course Title	Description	Duration
NCD Academy: A Call to Action	Find out more about NCD Academy and the global rise of NCDs.	1h 40 min

Mental Health Care: Increasing Awareness, Erasing Stigmas

Course Duration: 3h 10min

This course helps you identify individuals at risk for mental health challenges and intervene early, before symptoms become acute. This approach involves using effective screening tools, prescribing appropriate treatment, and collaborating with mental health specialists for more complex cases. The lessons cover six key categories of mental health disorders, equipping you with the skills to offer timely support and improve care.
